---

## Fabric Requirements

- 1 jelly roll (2 ½” strips) or 2 ½” scrap strips
- 10” squares – 6 light color & 6 dark color (or 2 contrasting colors)

*\*steps 1-3 are directions to make 8-at-a-time half-square triangles*

## Step 1

Lay 10” squares out, alternating 1 dark 1 light RST. Make 6 sets.

Mark lines diagonally, corner to corner, forming an X.

## Step 2

Sew ¼” either side of both drawn lines.

## Step 3

Cut the sewn piece 4 times to make 8 HST (half-square triangles). This will give you 48 HST.

Square the HST to 4 ½”.

## Step 4

Sew strips on the dark colored side of the HST, first with the short side. Trim, then the long side, trim, and repeat one more time. Blocks will measure approximately 8 ½” squares. Square them up if you wish.

For the layout, refer to Missouri Star video or make your own design.
